TYLER: MEMOIRS OF A WHITE SLAVER

HOM plunges you into the worlds of rock'n'rope, erotic aerobics, fiendish fascists, and three-pieced perverts

By the end of 1985, more than half a million copies of Geoffrey Merrick's other books will be in print. Because when he is not writing the Tyler Memoirs he writes thrillers, science fiction novels, and non-fiction books for major New York book publishers under other names. But these publishers couldn't publish this latest series, the series longtime HOM fan and contributor Gama called "a perfect blend of plot, character, bondage, and sex." These are the Tyler Memoirs, **Tyler: Memoirs of a White Slaver,** one of the events in genre publishing. "I always knew there was an audience for more modern, more honest 'damsel in distress' novels," Merrick himself says. We are delighted by the quality of the Tyler books—each novel has a quickness of pacing and a depth of character rare in adult publishing, making us proud to present this "new wave" sexual thriller series. Try them; we're certain you will be delighted!

No. 11828C, Northern California: Published B&D writer and bi wife will exchange ideas and experiences with anyone interested in bondage and fantasy. Seeking sincere friendships, regardless of sexual orientation. We hope that from this group will come submissive females with whom a meeting of minds may lead to further developments. You probably should be some of the following (to meet): 25–35, intelligent, humorous or a good audience, creative, non-drugged, poised (good self-image), self-reliant, liberal and/or relatively unprejudiced, and it'd be okay to look like Pam Dawber or Garbiela Sabatini. Our interests: B&D, light S&M, spanking, frustration/teasing, kidnap and damsel-in-distress games, photos and videos, and lingerie.

No. 12155F, Sunnyvale, CA: Bi submissive female slave, 28, new to full-time slavery, has master's permission and would like to correspond with other submissive female slaves as I would love having a fellow sister in bondage as a pen pal to establish friendship, exchange ideas, and learn more about how to please my master. I have had the experience of being a part-time slave for over three years but never really found anyone I wanted to give my body and soul to until recently. I have pledged to cater to my new master's every wish and desire, and as symbols of my submission to him now wear his rings in my ears, nose, nipples, and clit. Since being pierced, I have discovered a new fascination with the subject and would like to correspond with other female slaves who have been pierced, especially those who wear a nose ring as I do. I am also interested in exhibitionism, humiliation, and love being exhibited in public in short miniskirts without underpants, see-through blouses, and high heels. My master has expressed the idea of taking me out in public handcuffed on a leash and collar. Has anyone ever do this? If so, I would love to hear from you. Some of our other interests include short sessions of suspension bondage, nipple bondage, spanking, light whippings, tickling, and prolonged wearing of tight corsets. If you are interested, please write. I would love to hear from you. Please send letter along with SASE. Phone and photo not necessary but appreciated. All will be answered. ►*See Photo.*

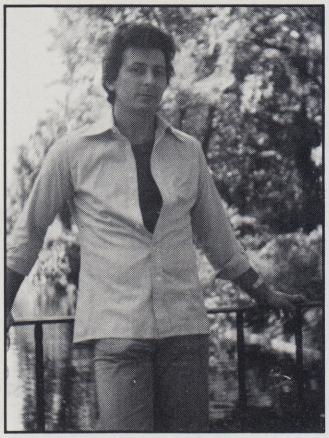
No. 12523M, Colorado/Nationwide: Single white male interested in meeting and corresponding with females into SM, bondage, and spanking. Enjoy these activities as a delicious diversion, but not necessarily as a way of life. Believe in trust as a primary ingredient in these unique relationships and the importance of defined boundaries. My goals are the fulfillment of mutually satisfying needs and seek a creative approach towards reaching that magical area between pain and pleasure. Interested in knowing how you have satisfied your desires. Although being a single male decreases the odds of making contacts, it is my hope that some of you will at least take a chance and write. I am open, honest, articulate, and sincere. ►*See Photo.*



No. 12071M, Broomfield, CO: Ladies who are of the submissive persuasion, as well as submissive couples, I welcome your correspondence. If you have the desire to place yourself in the hands of a trim, good looking, and especially dominant male, then I feel we shall share an experience to remember. My objective is simple—provide you the maximum pleasure and fantasy within the bounds of your restrictions, limitations, and desire. My scope of experience includes light to totally restrictive bondage, mild to heavy whipping or spanking, golden showers, photography, and a creative mind that will generate excitement within your framework—whatever that may be. My dominant nature is natural, not forced, and I take pleasure in providing the fantasy that most pleases. Your age is not relevant and neither is your race. Physically, you must be attractive, and emotionally, you must be mature and sincere. If you feel you fall into this scenario, then write in detail and enclosed a picture. You will begin a journey of excitement, ecstasy, and passion that will leave you completely drained and totally satisfied. I await your communication. ►*See Photo.*

No. 12162M, Columbus, OH: The Submission Academy, offering advanced training for female slaves, is now open. The Academy director is a 27-year-old white male with a college degree and six years experience in training female slaves. The Academy offers five courses which can be scheduled individually or in sequence. Each course can last from three hours to ten days, depending on the degree of training required. The classes are: Body Bondage (with ropes, chains, and collars), Breast Discipline, Horse Training, Outdoor Bondage and Degradation, and Harnesses, Vibrators, and Plugs. Limits established by the slave's regular master regarding anal activities and golden showers will be strictly observed. Submissive females without masters are accepted only if they have no limits. All ages are welcome. No blacks. There is no tuition, but slave must pay her own expenses. I do not train in S/M or water sports. I concentrate on bondage and submission so I can be the best trainer in these areas. Female slave trainers should write if they're interested in opening a branch of the Academy. Masters who would like to help plan the 1988 Female Slave Olympics should also write.

Aside from regular swinging, which we love, we are looking for another couple as sexually demanding and kinky as we are. So what is kinky? Well, we are two master/slave couples who enjoy having our sexual fantasies carried out; most couples just keep it inside. Both wives are bi, and the masters love to see them share their love with other women. But that's only the tip of the iceburg. As a foursome, we enjoy any fantasy you might come up with, including tying up the guys for the gals to abuse, or tying the gals up for another couple's ultimate sexual pleasure. We all enjoy light pain, lots of french, and light greek. We also love leather, latex, rope, and chain. ►***See Photo.***

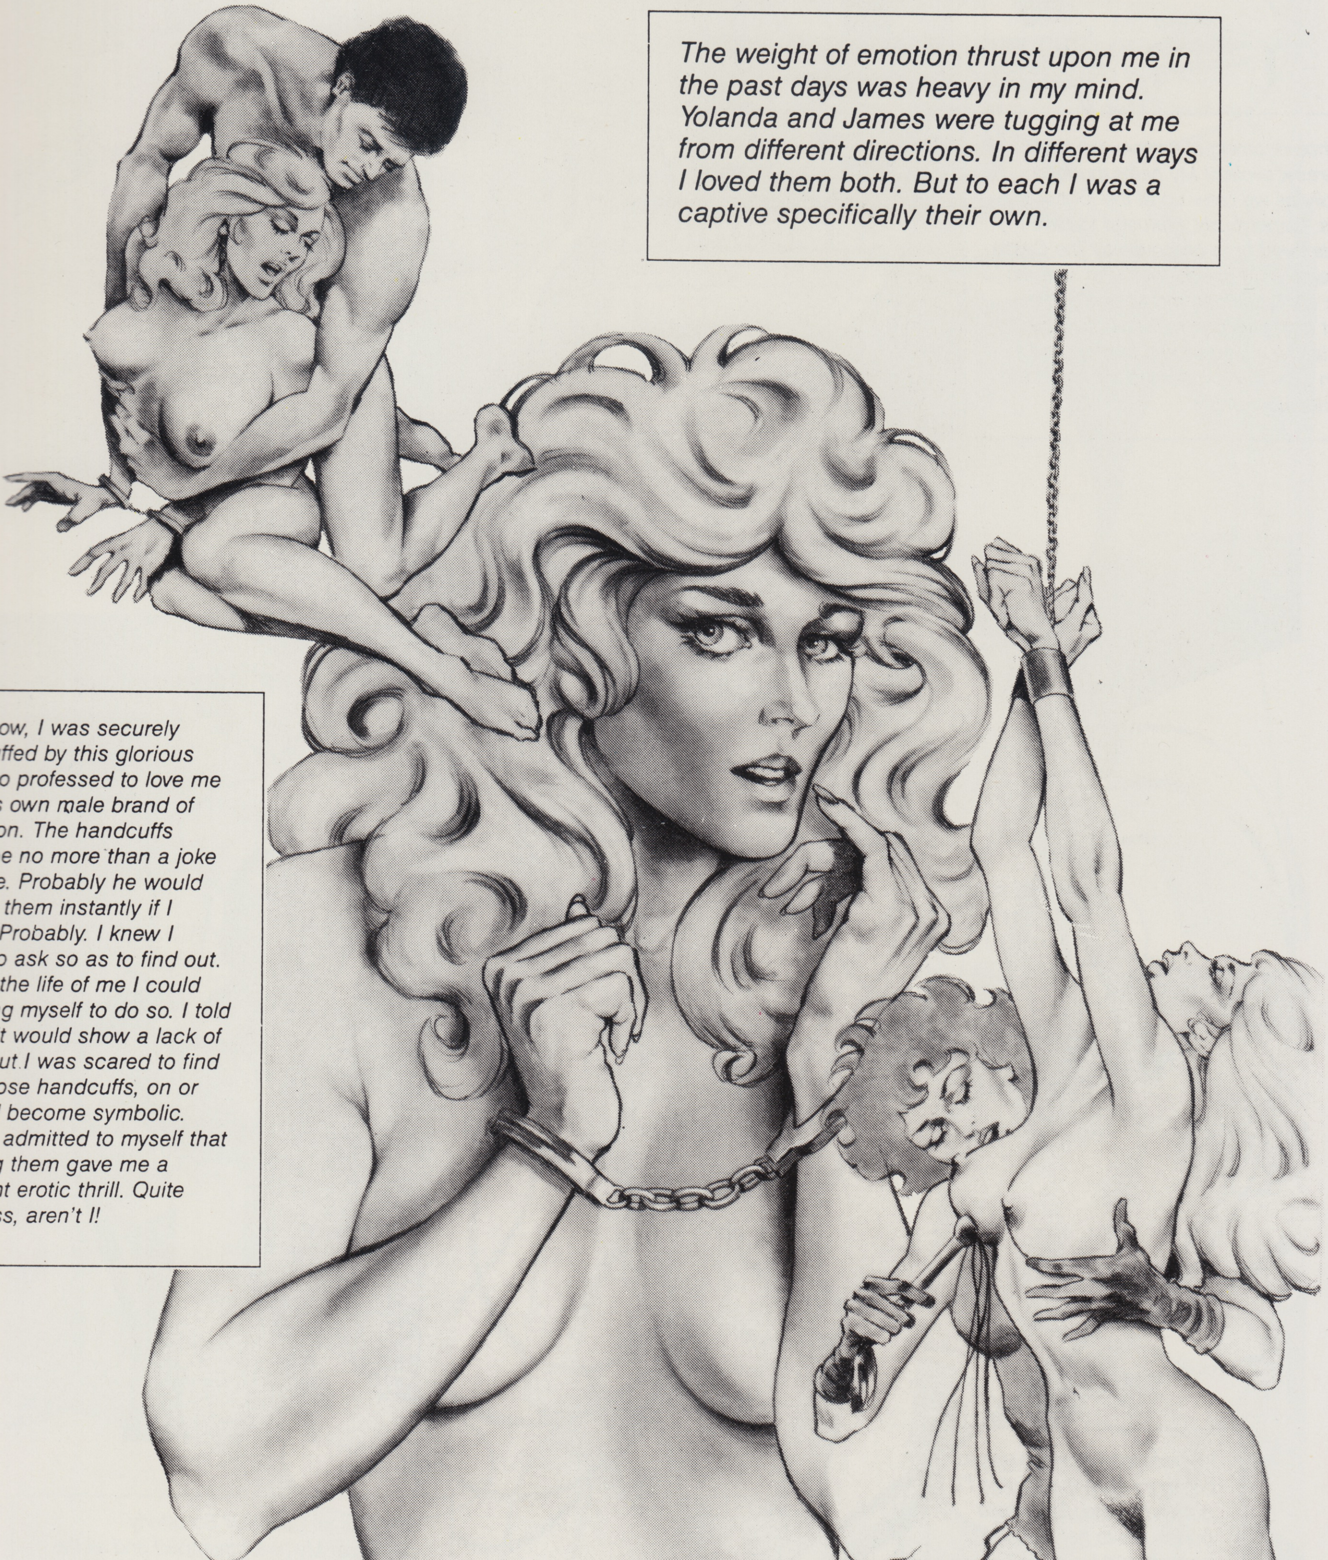
THE SLAVE AND THE LASH

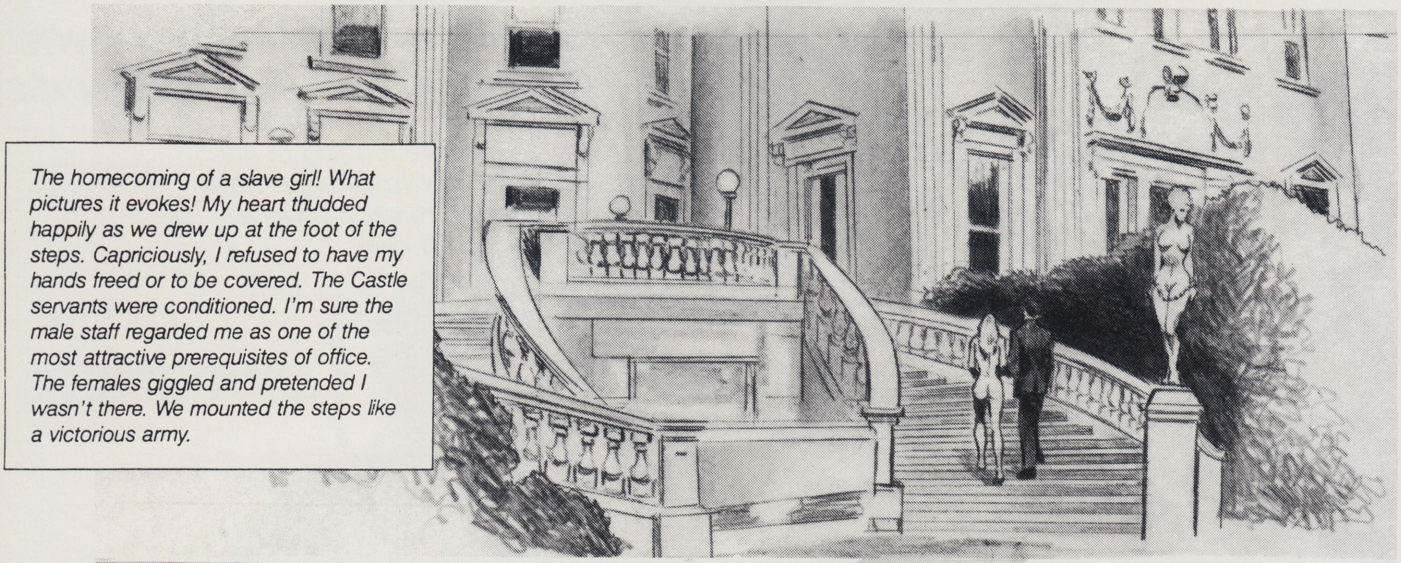
STORY BY F. E. CAMPBELL • ART BY LOU KAGAN



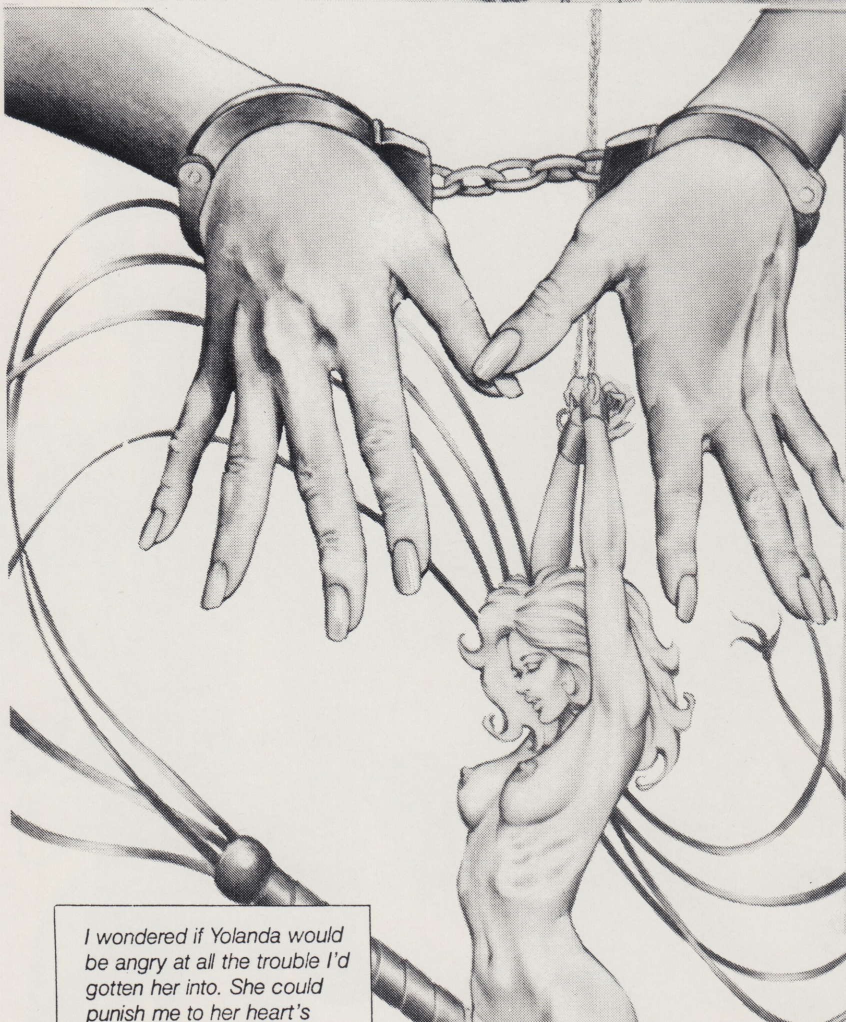
The weight of emotion thrust upon me in the past days was heavy in my mind. Yolanda and James were tugging at me from different directions. In different ways I loved them both. But to each I was a captive specifically their own.

Right now, I was securely handcuffed by this glorious boy who professed to love me with his own male brand of adoration. The handcuffs might be no more than a joke or tease. Probably he would remove them instantly if I asked. Probably. I knew I ought to ask so as to find out. But for the life of me I could not bring myself to do so. I told myself it would show a lack of trust. But I was scared to find out. Those handcuffs, on or off, had become symbolic. Wryly, I admitted to myself that wearing them gave me a constant erotic thrill. Quite hopeless, aren't I!

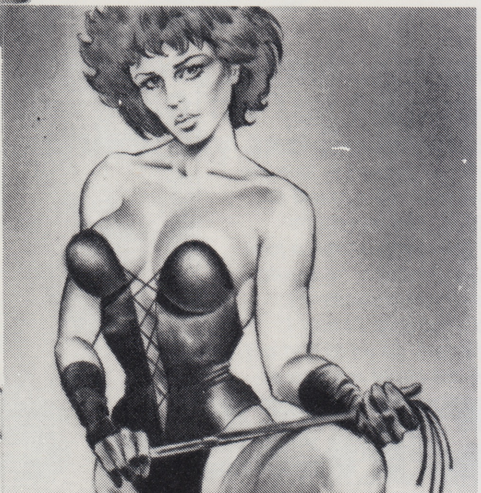
If a faint cloud of wonderment hovered as to how I'd reconcile Yolanda and James I refused to think about it. Something always happened. I loved them both. My fire burned bright.



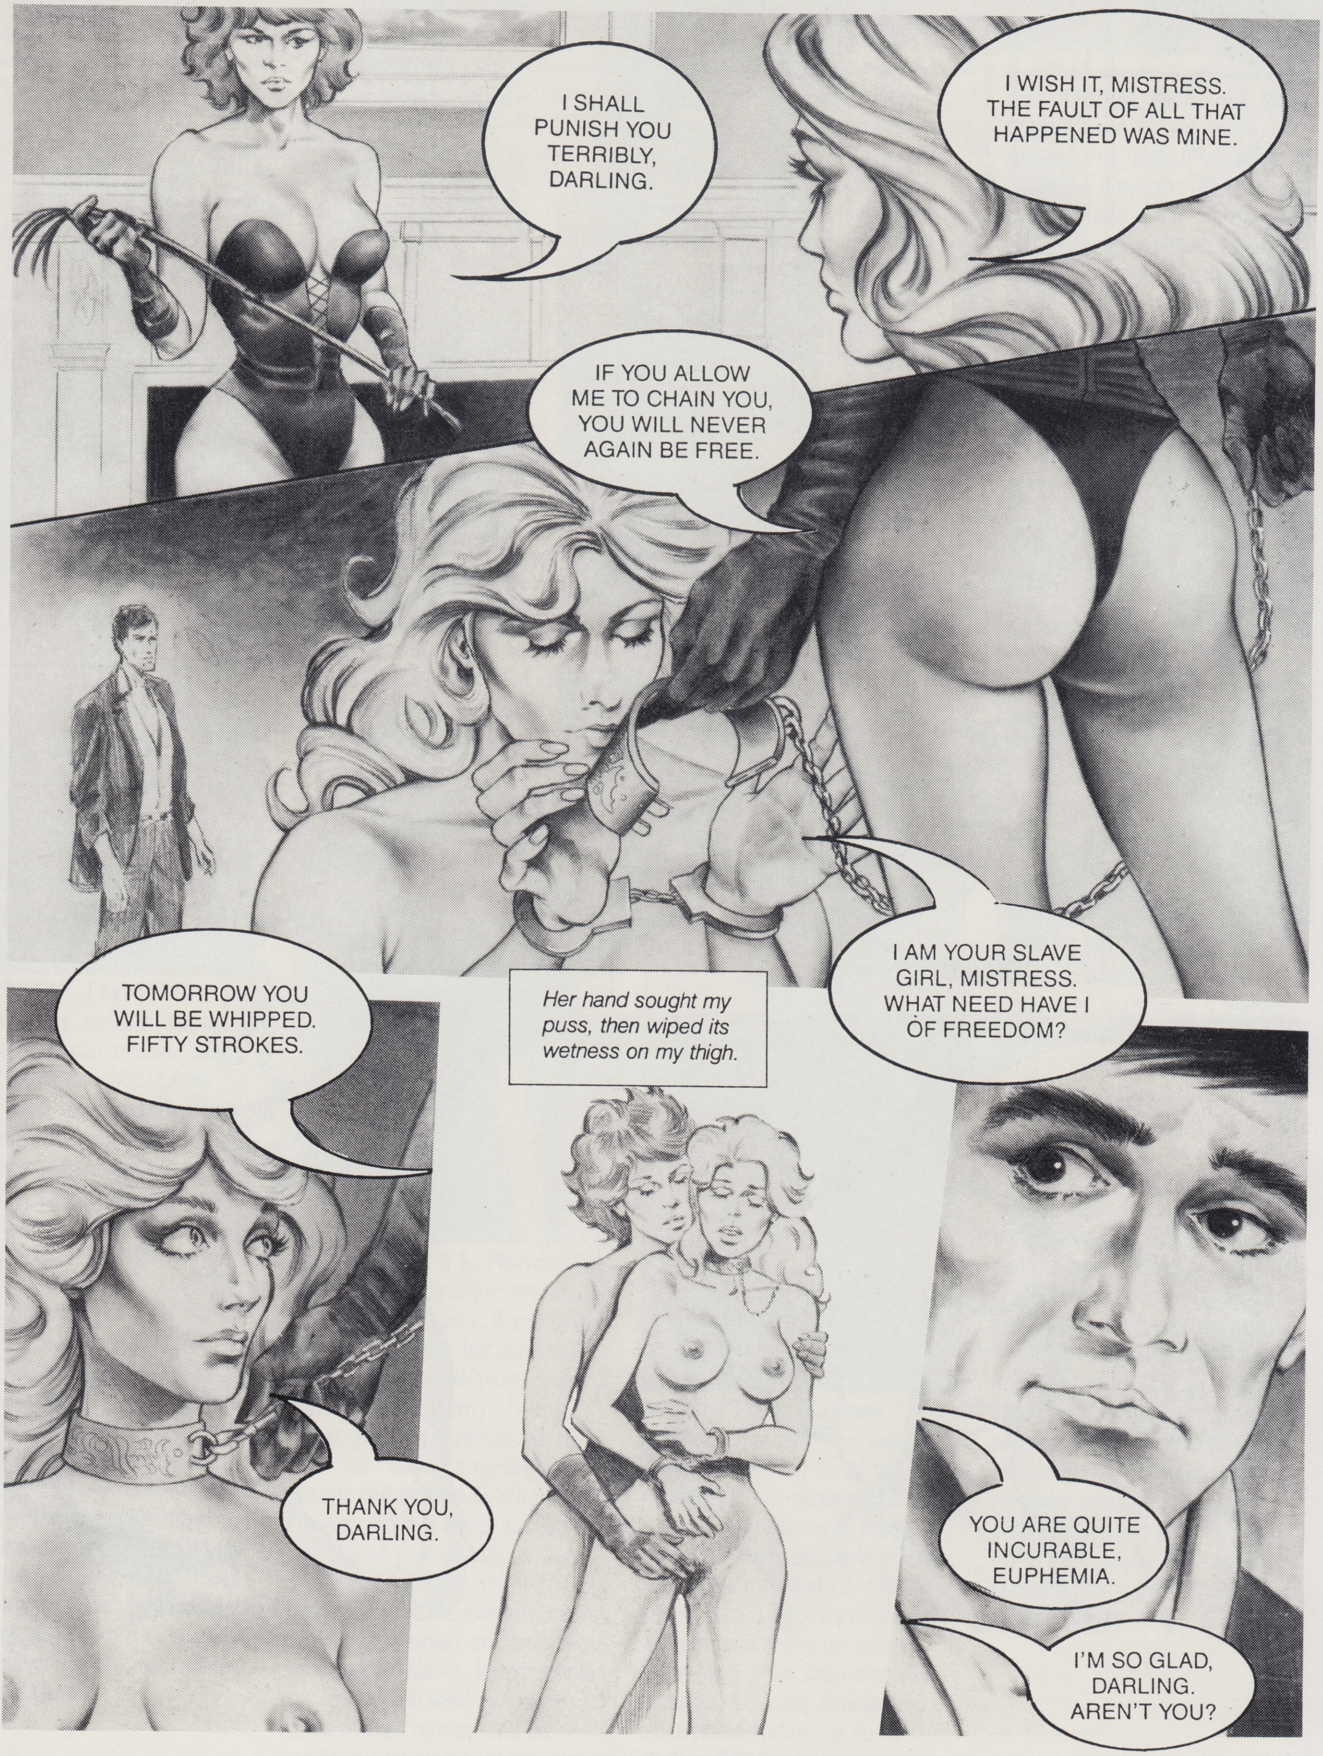
The homecoming of a slave girl! What pictures it evokes! My heart thudded happily as we drew up at the foot of the steps. Capriciously, I refused to have my hands freed or to be covered. The Castle servants were conditioned. I'm sure the male staff regarded me as one of the most attractive prerequisites of office. The females giggled and pretended I wasn't there. We mounted the steps like a victorious army.



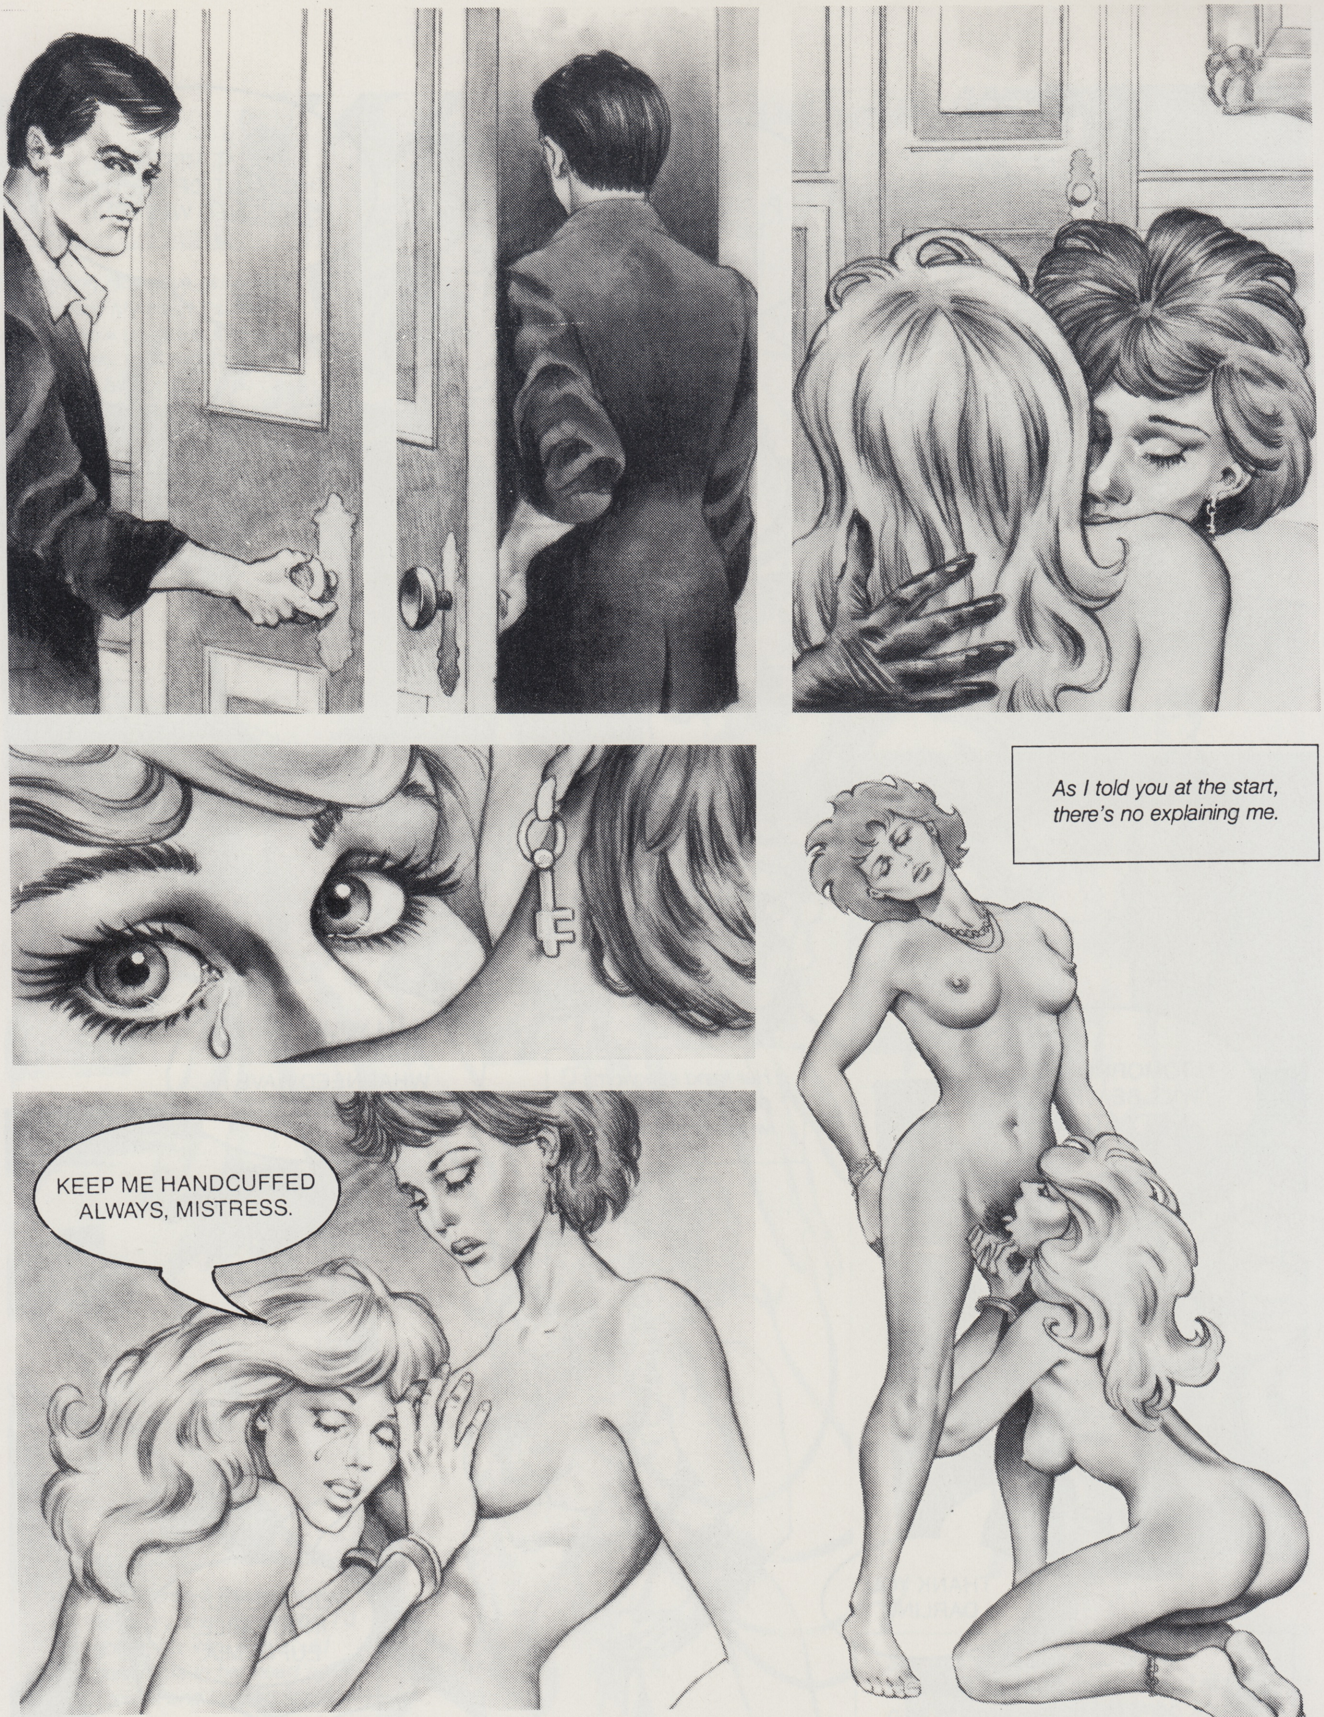
I wondered if Yolanda would be angry at all the trouble I'd gotten her into. She could punish me to her heart's content and I wouldn't complain.



She was so beautiful! So utterly desirable! My heart thumped and all the days of travail passed into limbo. My Yola! Briefly I told her all there was to tell. She listened quietly as though none of it mattered.



I SHALL PUNISH YOU TERRIBLY, DARLING.
I WISH IT, MISTRESS. THE FAULT OF ALL THAT HAPPENED WAS MINE.
IF YOU ALLOW ME TO CHAIN YOU, YOU WILL NEVER AGAIN BE FREE.
I AM YOUR SLAVE GIRL, MISTRESS. WHAT NEED HAVE I OF FREEDOM?
TOMORROW YOU WILL BE WHIPPED. FIFTY STROKES.
THANK YOU, DARLING.
Her hand sought my puss, then wiped its wetness on my thigh.
YOU ARE QUITE INCURABLE, EUPHEMIA.
I'M SO GLAD, DARLING. AREN'T YOU?



As I told you at the start, there's no explaining me.
KEEP ME HANDCUFFED ALWAYS, MISTRESS.

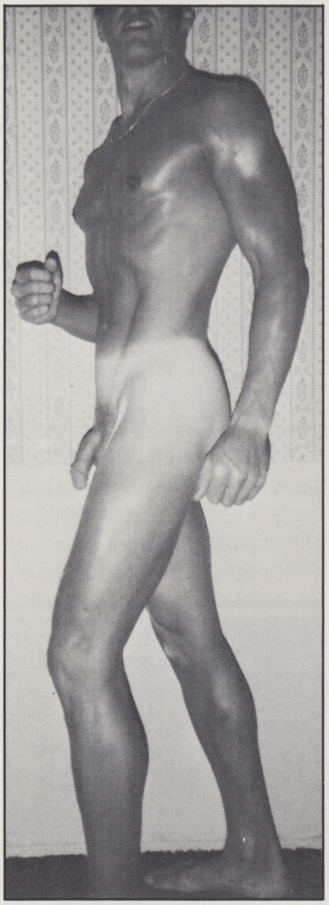
No. 12516F, New York City: Oriental woman, feminist by day, would like to try acting out submissive fantasies with white male, 30–49, who can be a firm, stern master but also tender, loving, and understanding. I have never acted this out, but would like to try spanking, light bondage, and light whipping, all as a prelude to passionate and sometimes tender lovemaking. Treat me like a slave or a slut in the bedroom and around the house, and like a lady outside the house in public. It will be mostly a one-to-one relationship, but I will also serve your male friends if ordered. No enemas, greek, golden showers, or heavy pain. But I will be your slave and private geisha. **►*See Photo.***

No. 12410M, New York: Successful, attractive, well-built dominant male seeking lovers of bondage and fantasy. I would love to meet with singles and couples who share my erotic tastes. Discretion is my middle name, and your desires would certainly be met, as long as I play the dominant role. I am intersted in everything in this magazine, and no fantasies that you have would shock me. I've tried it all, and love it all, the kinkier the better. I would also like to watch and jerk off while a husband humiliates his wife in front of me. It would really humiliate her knowing that I was watching. I can also be bi with the right couple. Age or physical appearance not important. I am 5′8″, 170 lbs., 50 years old, well hung and long lasting. All replies answered immediately.[701]



No. 12484M, All U.S.A.: 34-year-old professional, 5′11″, 175 lbs., with lots of stamina, seeks trim submissive female with tight body who enjoys bondage, light discipline, straight sex, french, and greek. Prefer nonsmoker. No heavy scenes, no pros, no drugs. Lasting relationship possible. Please include standing frontal and rear photos with your letter for my reply. I travel frequently.

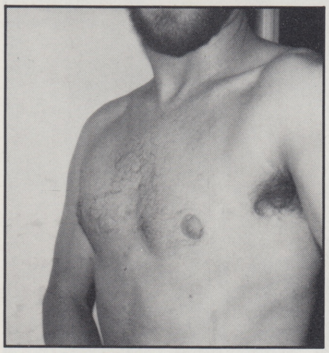
No. 11896M, Western Pennsylvania/Ohio: Well-built male, 40, looking for submissive females who enjoy strict but pleasurable B&D fun. Will wine and dine you, place you in stringent bondage and restraints, warm your bottom, torment your breasts, and finish with a prolonged sexual stimulation session. Personal fantasies acted out also. Will exchange roles on occasion and meet with couples. All limits respected. Will correspond, exchange photos and ideas, etc., but main interest in in meeting. Can travel or entertain. Your photo gets mine in return. All answered.



No. 12297M, Boston, MA: I seek a woman who's independent and assertive in daily life who wants to explore submissive erotic fantasies with a sometimes dominant, always loving single male, 29, in an equal relationship. I'm trying to find a good woman who is interested in more than just casual sex and who's hot for bondage as shared erotic play. I've dated some wonderful women who just tolerated bondage games, and I've had quick encounters with a few confirmed submissives, but I've not yet shared bondage in a long, caring relationship. My friends describe me as eligible, a catch. If only they knew what it takes to capture my heart. I'm mostly dominant, but also switchable. I'm an excellent, sensitive master because I've also explored the submissive role. I strongly prefer an intelligent, complex, passionate woman. If you or someone you know shares my values and needs, please respond.

Your hidden lusts and special interests will become a clear reality if you answer this ad and state your intentions to become my special slave. Couples wishing instruction or an experienced third party for their pleasures are welcome to reply. Discretion assured.

I'm interested in either joining or forming a bondage club in the NYC area. Will gladly correspond with bondage lovers all over the world. My interests include: tight rope bondage, prolonged erotic teasing, french, greek, and straight sex. When I'm in the submissive role, I enjoy all the above, plus forced cross-dressing in sexy lingerie, especially tight girdles and stockings; panty worship; houseboy service (live-in possible). No money involved—just friendship, fantasy, and fun! Photo and phone gets same day response.[610]
